Discount Windows would like to thank Joseph Cowles and Seacoast Commerce Bank for helping us secure an SBA 7(a) Small Business Loan to fund the construction of our new showroom and warehouse in Junction City, Oregon. With his knowledge and expertise, Joseph led us through the entire planning and construction process. His perseverance was also instrumental in Discount Windows receiving a Small Business Loan through the Payroll Protection Program. This has allowed us to keep our doors open and our employees working during this challenging time we find ourselves in.

Thank You Joseph and Seacoast Commerce Bank for helping small businesses like Discount Windows succeed!!
