

Seacoast Commerce Bank Announces 1st Quarter Results and Record Loan Growth

CHULA VISTA, Calif. – April 23, 2009 – Seacoast Commerce Bank (OTCBB: SCCB) today announced the results of its operations for the first quarter of 2009. The Bank reported a net loss of \$434 thousand for the first quarter ended March 31, 2009, compared to a net loss of \$83 thousand for the same period in 2008. The larger loss was mainly attributable to adding \$295 thousand to loan loss reserves, increased FDIC assessments, increased legal fees related to problem loans, and lower non-interest income related to less gain on sale of loans, partially offset by lower non-interest expenses.

Assets climbed 12.7% to \$80.6 million, compared to assets of \$71.5 million as of March 31, 2008. Loans grew 4.4% to a record \$65.6 million, compared to loans of \$62.8 million as of March 31, 2008. Deposits were up 10.0% to \$58.1 million, compared to deposits of \$52.8 million as of March 31, 2008. The Bank's Total Risked-Based Capital ratio at March 31, 2009 was in excess of 20%, more than double the FDIC's highest rating, with Tier 1 ratios more than triple the FDIC's highest ratings.

The Bank also reported improvements in credit quality with classified loans decreasing 39.1%, delinquent loans decreasing 20.2%, and non-performing loans decreasing 11.9%, versus the end of the last quarter. Current Allowance for Loan and Lease Losses ("ALLL") stands at \$1.3 million or 2.0% of gross loans outstanding.

Richard M. Sanborn, President & Chief Executive Officer commented, "Much focus has been put on, and we continue to have improvement in, our loan and deposit mix. We have reduced our problem loans significantly and consistently over the last three quarters." Sanborn concluded, "We are showing good results on our growth numbers and continue to reduce our operating expenses."

The Bank's average cost of deposits for the first quarter of 2009 decreased 26 basis points from the fourth quarter average, and is down 147 basis points from the first quarter of 2008.
